It was a holiday,  
and I was there  
with my best  
friend, and his  
boyfriend. As we  
were walking along  
the beach, we got  
into a  
conversation with  
this girl and her

---

boyfiend. They were to be married soon, and they were both a crazy sight to see. We were right there to see the whole crazy holiday stuff. We were right there to see

---

the whole thing.  
And you know what  
happens to me on  
those types of  
holidays? I get a  
wild case of the  
crazy. What  
happens in Vegas,  
stays in Vegas.  
You know what I'm

---

saying? This summer is going to be the summer of crazy! I mean, I'm crazy about crazy. I don't know if you guys know that about me. Like, I like to do crazy things. I like to

---

let my hair down.  
I like to let my  
hair down. I like  
to do crazy  
things. I like to  
let my hair down.  
And the crazy  
part, the crazy  
part is that I  
don't have to be

---

the crazy one. The  
crazy part is that  
the crazy is  
actually already  
in me. And it's  
already in you.  
I'm not crazy,  
because I'm not  
doing anything  
crazy. We like to

---

party. I like to  
party. And that's  
why you're all  
here. That's why  
you're all here.  
That's why you're  
all here. We like  
to party. You know  
that. That's why  
you're all here.
