I just tried to vote to delete this question it was closed as off-topic. I wonder why the question was closed because I don't understand well the guidelines when writing a question. A: You need 15 reputation to be able to vote to delete a question or an answer. In order to get 15 reputation, you need 20 reputation on that Stack Exchange site. If you do not understand the guidelines, then that is a problem that you should bring to the attention of the Stack Overflow team. They can post an answer explaining what the guidelines are for Stack Overflow, or you can post a question on Meta Stack Overflow with a link to the guidelines. "The problem is not people having too much to drink. The problem is people thinking that the only way to get drunk is to use alcohol." - Me Friday, October 10, 2006 So I went to the doctor today and he scheduled an ultrasound for my varicose veins surgery tomorrow. The pre-op was pretty useless except for the fact that someone was teaching the lady the ABCs. I explained to her that I didn't understand a word of what she was saying. She finally gave up and got somebody else. I have
