April 18, 2021 - A cute movie to watch...especially for JoAnna. Reviewed by Jackbv123 7/10. Better than I expected. I can't say that I expected more, but I hoped that it would be something more serious. I thought it would be a film about how a woman has been fighting for human rights for decades. Unfortunately, this was just the story of one woman who was pregnant. It doesn't make it more serious, but it doesn't make it any less funny or less interesting. Joanna and Yardley are two completely different personalities, but they were just as fun and hilarious.
