A look at some Elden Ring Key gameplay videos:

1. The Basics of the Game 1. Story The Elden Ring, which makes human history possible, exists in order to restitute the Elden Kingdom, and also to ensure peace in the world. However, on the island of Moria, a fearful war is raging between two factions: the orcs and the humans. In such a situation, the twins Manwyn and Bratan, who escaped the massacre, continue their search for the key to the Elden Ring. Their goal is the resurrection of the legendary Elden Kingdom of the Elves. 1. Gameplay You play the role of a fighter. At the beginning of the game, your awakening will take place in the Elden Kingdom. Manwyn and Bratan will join forces and leave the castle, together with a party of support characters. As you explore the lands surrounding the castle, you will face an abundance of content both in and outside of battle. 1. Collection We hope the single-player story line continues in multiple ways. Along the way, the player can choose from various collections. Collections are special gameplay contents that can be obtained by fulfilling certain conditions. In addition to high-quality DLC (downloadable content), there will

also be premium merchandise items in the game. 1. Single-Player Mode Manwyn and Bratan start their journey from the Elden Kingdom. Through the course of the journey, the player will make decisions that will drastically influence the way things proceed, and the player will encounter content that is exclusive to the single-player mode. 1. Characters The ultimate goal of the game is to achieve the resurrection of the legendary Elden Kingdom of the Elves. In order to achieve this goal, you will have to play the game alongside Manwyn and Bratan. Manwyn, a mysterious girl with a sword that grants her the power of the Elden Ring, and Bratan, a mischievous boy who was born as a human but has the strength of a legendary elf, are both guides on the path of destiny. 1. Combat Manwyn and Bratan will fight alongside you in battle. The fight sequences will follow the classic Action RPG. You can switch the combat style at any time. • Special Attacks Each character will have one of three special attacks they can use at any time. • Equipment Character equipment varies depending on the character's gender and combat style, and your in-game skills will determine whether or not you can equip it.

What's new in Elden Ring:

Mekuru (Mekuruty) 2015-12-06 Devlabs Community Update Main Update 153 Release Date 2015-11-29 Builds Released, Tags Updated 4 Standing Artboards 5 Table of Contents 1 Notes & Changelog 0 Community Update The DevLab Release 1.3 update is here to bring some more fun stuff and to add some new stuff like Mekuru as an event authority. Maximaq was a river merchant for years, trading with distant lands for his family. But one day he met another boatmaster, who mentioned a world lying far to the north where he never went, a world calling to be discovered. Together with this new friend, Maximaq continued south, and the last days of the year they met up with a ship that was returning to the north. They entered the land of Nagadova, and while Maximaq was trading his goods, the boatmaster set up his camp for the winter. Maximaq never returned, leaving his friend behind alone in Nagadova. A couple of weeks later the boatmaster disappeared, leaving behind no trace of his camp or goods. Maximaq stayed behind, pondering the fate of his friend and the fickle world of the North. Finally, unable to dwell in his grief any longer, he ventured into the wastes to find his friend, the first step in a quest to do the world good and help others. Decomposed Nagadova Nagadova was killed, but her land is reborn. The water has receded, the mountains are cleared, and lakes and rivers are filled with water once again. The land has been cleared and is being reworked by residents of new cities. Delmina Fortress The former Delmina Fortress was remade into a town. The fortress served as the location of the eastern trade district along the river of the same name. A fighter ship that was originally from the Elgramen Fortress may now be found at the Delmina docks and they patrol river shipping, and they may be purchased to accept messages and be summoned when needed. Out of Time Not of Interest The great cathedral was built. Players can seek God. They can fight back for Gods of their choice. The Out of Time God
