The world of Tarnished is divided into seven nations. The human race, the mighty Elden, wields the power of the Elden Ring and lords over the other six nations. The four Knights of the Elden Ring are united in a sword struggle to protect their nation while battling against the other nations. The intricate story unfolds through the characters, emotions, and actions of the Knights of the Elden Ring who fight their way to become an Elden Lord. The central theme of Tarnished is a fantasy world in which Knights unite with the power of the Elden Ring to create a fight to the death for justice. A key element of this game is that Knights from other nations are in contact with you. You can receive quests from other nations and interact with others, freely. At the same time, it is possible for you to develop your character and acquire the necessary items to confront other nations' Knights. This is a game in which Knights unite to fight by saving a princess while advancing their own worldview, which delves into the truth of the world and becomes more complex as it is enriched with interactions between the characters and the environment. ◆**Story**■**Story**: A genre of epic fantasy stories in the Lands Between. An adventure on the path to becoming an Elden Lord with you, wielding the power of the Elden Ring in the Lands Between.■**Synopsis**: The Lands Between are protected by the Elden Ring—an artifact that grants great power to anyone who holds the Elden Ring. However, as the time of the Elden Ring draws near, the appearance of apparitions called “demon visitors” has become more frequent. The Story begins with a mysterious red-haired girl who awakens in a nondescript mansion. She believes that she was kidnapped and transported to the Lands Between. After learning of the Elden Ring, she obtains the power of the Elden Ring and becomes an Elden Lord, going on a journey to protect the Lands Between. In the first chapter of the story, the player begins with an easy quest, but the story then broadens to a grand adventure. From the beginning, there are many dungeons to explore, and new companions will appear along the way.■**Online Multiplayer**■**Multiplayer**: Available with both cooperative and competitive modes. Although the story is set in the Lands Between, the game supports a worldwide online multiplayer. Treading the world of the Lands Between together with friends and foes from all over the world is a thrilling experience. ■**Online Multiplayer**: Access the online platform to create and connect with friends. ◆■**Online Multiplayer**■**Online Multiplayer**: You can connect with your friends in the global online multiplayer. ■**Battle Modes**■**Online Battle**: All battles take place in the Land of Mist, one of the many dungeons in the Lands Between. The appearance of demons and the deterioration of the environment is randomized. You can create a team of up to four characters, and take on the roles of the characters involved. Online battle players, as well as any character in the Land of Mist, can connect with each other. Players can fight together to take down an opponent, search for rare items, share the items they find, and combine to create a powerful compound.■**Online Battle**■**Battle Characters**: You can create a team of up to four characters. Battle against an enemy while controlling the characters involved. ■**Compound**: You can combine the items found during the battle to create a compound that can produce various effects.■**Battle Locations** You can attack the land of mist, one of the many dungeons in the Lands Between.
