In The Last of Us you play as Joel who is a survivor of a horrible virus that has killed most of the population. He has to travel back to his home in order to get supplies and weapons and try to help save his family and the rest of humanity. The Last Of Us: Left Behind is a video game for the Xbox 360. . You're currently playing F-22 Lightning 2! The F-22 Lightning II is an advanced lightweight fighter and strike fighter aircraft. It was designed from the start with stealth in mind. Many of the traditional problems with fighter aircraft like cannons, missiles and guns have been solved by the stealth-oriented design of the F-22. The F-22 is similar to the Lockheed Martin F-35 Lightning II, but its a slightly more aggressive design than the F-35. The F-22 is the air-superiority fighter / strike fighter variant of the F-22. Its backbone is the Pratt & Whitney TF33 engine, which gives the F-22 greater speed, altitude, range, and maneuverability than earlier models of the F-22, but not greater maneuverability than other F-22s. This allows the F-22 to be relatively cheap, and also to execute its primary tactical role, which is to destroy hostile SAM- and IRST-equipped aircraft in the air and medium-surface-to-surface missile threats on the
