Capture global athletes and the most realistic representations of players available in FIFA titles. The goal is to build a more complete athlete, along with a more natural animation, improved player collision, more fluid moves, and faster decision making. Simulate player control and enable the wider, deeper and richer gameplay that FIFA is known for. Unlock up to 10 million Creative Cards across all game modes. Boost your player's attributes to unlock the latest and greatest player cards, and compete with your friends and allies for the best ranked player. Enhance the pitch with stadium features, including real 3D crowds, shadows, reactions, flags and the sounds of fans. The season mode now includes 8 new stadiums, 50 new stadiums, and new kits from Adidas, Nike, Puma and Macron.

Realistic FIFA players simulate player traits and identity. Capture and enhance game faces, providing up to 30 faces of players that react to the game action. In-game animations are now more natural. Avatars are more lifelike. New agility and speed stats, like Agility Rating and Dribbling Speed. Physicality in gameplay has been enhanced through injury and fatigue systems. Passing success and accuracy have been improved. A deeper understanding of the game is reflected in the AI. New Story Mode New Skins New Ball Skills Enhanced FIFA Ultimate Team New Weather Improved Customization Stadiums Improved Matchday Experience Matchday Moments Finishing Moves Players New Player Traits New Stats Player Ratings Match Commentary New Game Faces Improved AI New Threats Xbox One X Enhanced The question most football fans have is, can FIFA 16 run on the Xbox One X? For what I've seen, this

upcoming release is an absolute beast when it comes to visual quality. In our hands-on with FIFA 16, the visual effects are spot on and I'm genuinely shocked that Microsoft was able to bring the visuals in this game to the next level. One of the more obvious features that the Xbox One X offers was 4K video playback, and this game takes advantage of it on several occasions throughout our time with it. The standout aspect of this game as far as graphical fidelity

FIFA is the world's leading football video game series, and the cornerstone of the FIFA franchise.

This year's game is powered by EA SPORTS FIFA 20. Released every two years, the FIFA series comes packed with features for all ages, and has earned a loyal fan base over the years, including 18 million FIFA Ultimate Team™ users. The Biggest Clubs in the World Get Ready to Take on the FIFA World Cup® With FIFA World Cup™ 2018 on the horizon, fans are invited to prepare for the biggest event of the year. FIFA 20 lets players focus on becoming the best they can be by improving their skills, tactics, player ratings, attributes, and more with FIFA Ultimate Team™. Rationale for the Year "The EA SPORTS™ FIFA Advisory Board chose to use the motif of silver as a way of communicating not only FIFA's position as a game that thrives on emotion, but that this is the year of

change for the franchise. “Our latest release of EA SPORTS FIFA 20 has been one of the most emotional and hard-working releases of any game I’ve been involved with,” said EA Sports FIFA Advisory Board member Andrew Carter, Lead Director of EA SPORTS FIFA. “To make the point that this was the year of change, we wanted to use the motif of silver, reflecting the rebirth of the series and celebrating the change in leadership and direction. “With the release of our latest version of FIFA, we’ve once again revolutionised the game design, gameplay and gameplay features, with the goal of getting closer and closer to the real-world experience. We’ve made this a year where gameplay changes don’t just happen, but are a natural part of the development process and a progression from the great iteration

of this year's release." The Ultimate Team in FIFA 21 Exclusive to FIFA Ultimate Team™, EA SPORTS FIFA 21 launches on Xbox One and PlayStation 4 with FIFA Ultimate Team™. FIFA Ultimate Team™ members have the unique opportunity to choose from all 22 FIFA World Cup™ 2018™ national teams, and players from the previous 19 FIFA World Cups™, including Cristiano Ronaldo and Lionel Messi. The experience now features new Kicks and New Players, including revamped Player Attributes and player classes to cater to every type of player. New FUT Features and Improvements UNICEF
