About (English): Welcome to the Official SEGA Channel where you can find all the games from SEGA. These games have been made by us. If you like our work, you can like us on Facebook. This is a group for people who are experienced roleplayers. Everyone is welcome, from veteran players to those who've never played before, but the group is aimed primarily at experienced players. Please remember that the group is NOT a chatroom. You need to provide at least some meaningful info to be able to answer any questions, such as race, level, and so on. We will not ask for a lot of information on a first visit. We'll ask all players to post up one roleplay thread that would serve as a good introduction to roleplaying at the club. You can find such a thread here. Alternatively
