The Return Of The Elden Ring action role-playing game from Capcom and Omega Force is a fantasy game in which you assume the role of a powerful knight wielding a fine sword as he/she journeys to the Elden Ring, a legendary stronghold, to purge evil from the world. The game features an exciting story in which a number of famous fantasy elements are combined with the elaborate 3D graphics of a dynamic video game, and allows you to create your own character and explore a vast world. The game's single-player mode introduces a variety of game elements such as a story mode, a time attack mode, and a mode that allows you to master complex action and fighting skills. You can also join a multiplayer session to battle other players online. During battles, you will be able to talk to your friends or join a buddy session to play with your friends. You can also form parties to participate in battles, then go online to enjoy online battles to improve the rankings of your parties. 9.5/10.0 HONEST SCORE PREPARE YOURSELF...
