In the game, players try to uncover the events of the last five days of the lives of Josh and Luke. The story follows the murder of the drug addict Luke (21), while the driver Josh (20) coincidentally ends up in the same hospital as Luke, receiving the same medical treatment. The two end up chatting about the whole ordeal and the days in between, but then soon realise that they weren't the only two in that room. The story tells a multitude of enigmatic details, that, when placed together, weave a compelling puzzle. Complete the game in any order. Experience a unique detective case. Learn about the concept of "truth" through Josh and Luke's eyes. Relive events from their lives. Controls: Hover to pick objects. Click to confirm. Objective At the start, players will be dropped in at the hospital and will need to use clues and figures to piece together the events. Players may investigate Josh's and Luke's apartment and learn about the previous days. Players may also visit nurses' room, where they may listen to several phone calls. Players may also explore the coroner's office. ## **Features Key:**

Old-school point-and-click gameplay in a modern visual environment  
Complex story in 3 Acts and 7 Chapters for a unique experience  
Crosses 80+ Achievements  
Includes the original full version of Freddy Spaghetti PLUS added features.

- Visual quality of the game is tailored to the old-school point-and-click format
- Gameplay provides everything an old-school point-and-click game needs.
- There's no jump intro, skip sequence, or loading screen. You go directly into the game.
- It's more than a remake. It's a reinterpretation. Play with interactive text and audio clips. In the original, the game provides just the text for the dialog with Freddy. On the game screen, there are more interactive in-game text and audio.
- New game functions include special game actions. It's all new content, not a remake.
- The storyline is complex. In 3 acts, and with 7 chapters. It's more than 80 achievements.
- It's a unique point-and-click adventure game in the style of old-school games.
- Add-ons. It's all new and not a remake.

## **What is new?**

Freddy Spaghetti 2.0 is more than a remake. It's a reinterpretation. It's more than just a game where you run around and interact with in-game world. For the most part, the story and gameplay are unlike what you may be used to from other point-and-click adventure games. There are more interactive in-game text and audio.

The 7 chapters is a new addition. In the original version, the game provides more than 80 achievements. The gameplay is complex, and unlike what other point-and-click adventure games offer.

Domain name registrations are currently suspended following a partial in-place upgrade to our domain name registration software. The upgrade relates to the provision of .us domain names. Legally, we are only able to offer .com domain name registrations until we have finished our new system and it has been verified that it works as intended. Ordinarily, we plan to have this complete by the end of 2014 but in order to avoid any rush to new registrations, we have extended the minimum validity period by a further two years. The extended period means that we will not grant new registrations until 2017. We are having to go through and process all existing registrations, including returning any that exceed the minimum validity period. We will attempt to process as many
