The recent trailer was impressive! Can you give us some insight about the world and story of the game?

The world of Pril of Gangneung is a vast world full of excitement, offering a variety of situations and huge dungeons with complex and three-dimensional designs. During the journey, when you encounter monsters or other players, a wonderful story unfolds. And when you defeat a challenging boss, you feel yourself swelling with excitement. Furthermore, we would like to thank you for your support for the series.

It would be great if you could share with us the details of the “Stone-Blade”, a powerful weapon unique to the Elden Rings.

The Stone-Blade enhances your movement and attack speed by up to 100%. Letting the two-handed weapon handle all the attacks, you will be able to avoid being caught by enemies during the attack movement of a strong player by weaving in and out of attacks.

The item “Stone-Blade” will only be obtained through combat. Can you give us some insight into your evolution as a producer?
