The new European hub airport is the biggest single cargo airport in Britain and one of the five largest airports in Europe. The Airport Manchester features four passenger terminals (TXE, TXF, TXH, and TXM), which are linked by high-speed train, high-speed bus and a high-speed monorail. The airport is the headquarters of the Manchester Airports Group which also includes Manchester Airport and Manchester City Airport. The group is owned by the City of Manchester and the Greater Manchester Combined Authority and is led by Chief Executive Jon Sparkes. The Airport Manchester features custom HDR night lighting, custom ground textures including PBR, a fully functional service vehicle fleet, realistic airport details with such features as wind turbines and landscaping, and a jetway. The full version includes custom aircraft with real flights and 100% free flying. You will also find the airport interactive and animated with all the customized and unique features.
