Features Key:

A New Fantasy World where open fields with various environments are connected seamlessly.

- Exploring massive action along with the open, diverse field, and discovering the incredible.
 - Large, varied, and 3-D dungeons that boast an original, interesting enemy situation.
 - A story composed of fragments written from the perspective of the main character.
 - Replay - The action continues even after you defeat bosses, and the same areas and enemy situations keep appearing as you fight.
 - Challenges that test your skills, and move your character throughout the game.
 - Shared events that send you on a journey with other players.
 - A character that can be freely customized.
 - The item that your character equips determines the equipment status. High-end items will have an effect on your attacks.
 - Combines weapons, armor, and magic.
 - Various actions and customizations for battles.
 - Warriors, Mages, Queens, Lords, Heroes... With an extensive NPC system, there are plenty of tactics you can utilize.
 - Peerless online action that loosely connects you to other players.
 - Four types of classes to choose from.
