Strange event. The darkness began to spread across the land, people have become desolated and crazy. And suddenly, the darkness has disappeared and a very strange creature appears! A warrior who had been buried alive, and yet still alive, sees a monster that raises its claw up to the sky! A combination of the Lost Cities, classic 2D games and classic 3D games! About the game: Narru: The Forgotten Lands - is a 2D, high-speed, 3D game in the genre of Lost Cities, where you will have to use a bow and arrow, a sword, and other weapons to fight monsters and survive. About the game: • 3D engine and controls; • 2D fighting genre; • multi-touch devices support; • several weapons that will help you fight monsters; • Hundreds of cutscenes. To install: 1. Run the game, and open the dat file you've downloaded from the page. 2. Copy the.DAT file to your Steam Data folder. 3. Once the game is installed, the.DAT file will be auto-added to your Steam. HIGHLIGHTS First ever an RPG-FPS game featuring 80s 80x cool tunes. Juggling is done in the second person and you can take cover behind objects or enemies. Not too flashy, but fun. Enjoy a charming game that brings together elements of RPG and FPS. Blaze in a melee fight of 75s against some tough enemies to beat out your opponent in a special boss rush. Most hardcore fighting games? Check! Most reflexes games? Check! 80s soundtrack? Check! And all of that in the fun 80s-esque combat you may have been looking for? Well, you're in luck! Blaze 2 (also known as BLAZE 2) is a 70s-set third-person, action-fighting game that fuses together combat, reflexes and three-button gameplay. Your goals: Beat out your opponent, and beat them again, all while staving off the hordes of enemies around you, in hopes of seeing your name go up on the Leaderboards! The controls: For combat, you've got three buttons to rely on: a "Blast" button to deal damage, a "Feint" button to protect you from damage and a "Teleport" button to dodge
