experience to a whole new level. Tactical Free Kicks, for example, provides an expanded coaching toolset, while Find the Net2 lets you actively aim for a more unpredictable and visual football experience. Playmakers, who prepare to receive and turn a set-piece into an even better chance, are now on the ball more in one-on-one situations. FIFA 22 also introduces the Ultimate Team, which combines a variety of gameplay features such as the Frostbite™ World Cup Experience, new My Team modes, and mini-games to create an engaging and completely new competitive gaming experience. FIFA 22 is also at the forefront of EA SPORTS innovation, including EA SPORTS Football Shield, allowing you to team up with mates and get the result you want, and Scope Refereeing Technology, which brings a new level of accuracy and control to the professional refereeing experience. EA SPORTS FIFA 22 is the
