Greetings. My name is Hideaki Itsuno, and I am the designer and director of THE ELDEN RING. This is the world that the developer KNIGHTS IN THE NORTH, which I am a director, has made. Although I have not started the development of THE ELDEN RING yet, but let me introduce the world of the game to you. The Lands Between A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. It's a world where a variety of large and small creatures and battle elements are co-existing. In these circumstances, we are born as Elden, and we serve the Great God, and together we will, one day, attain the ultimate power and be granted great blessings. You play as a new player in the world of THE ELDEN RING who awaits the day when their trials will start. Features • A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Develop Your Own Character You can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • A Mythical Story in Fragments A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • An Unparalleled Online Co-op Experience In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. ►THE ELDEN RING LOGO & CROSS CROSS • THE ELDEN RING VISION The theme of the game is centered around battle with new inspirations and the goal is to help the protagonist finish the quest to be the strongest in the world. There are 4 tasks as the main quests in the story, and there are various side stories for the protagonist to complete. PLANET EARTH The main character of this game is an Elden, and they use

Villas exist throughout the Lands Between and can be placed at any location. When a villa is founded, staff can be hired to handle daily operations. In addition to this, facilities such as a pub, spa, bath, and animal ranch can be built upon request. Online element: Set after the End of The Great War, the world has fallen into complete chaos. Taking advantage of the rifts that appear in the Land Between, a large number of powerful and evil beings are attacking. It's up to you to take up arms and defend the world that is left. Having established your base at a villa, you can search for other players and travel together using a communication pod. You can also form groups, participate in daily activities, and meet with other characters. By controlling these allies, you can ally with them, work together to build a villa, and battle the vast enemy army. As a result, you may often find yourself in an intense battle. This game is not for the faint of heart, so please play at your own risk. If you are still unfamiliar with it, please read the tutorial first and then play. **+0000Reviews138630 An apocalyptic RTS set on an alternate modern world where humans have forgotten that there's more than one living creature on the planet. By forging alliances, exploiting technology, and building a better mecha, you'll take on the animalistic hordes and reassemble a meatless world of the future. The Elden Ring 6.0 Players take on the role of "heirs" of the Elder race, each of which bestows an individual aura and grants them an ability, like healing with the shield aura, or increasing damage with the attack aura. This allows players to upgrade their mecha as they level, and forms the foundation of the game's skill tree. Above this, a horizontal mastery tree can be found where players can learn to enhance all aspects of their mech and earn mastery points, which can be equipped to convert skills or augment their mecha. Enchantments can also be learned that unlock a variety of passive effects, like healing their teammates with the healing aura, or increasing melee damage with a**

I am using MVC 5, C# razor engine and I am using jQuery and javascript to display an AJAX call. So my server will need to return a single url address which is to be accessible by the javascript. I have tried many ways to do that. What I do now is to use a partial view to display the data from the controller and from this partial view I return the single url. This is the approach I am using now: \$.ajax({**
