MUST WATCH 'Let's not all be comrades': Colombia's FARC 00:59 The Government Communications System, or SGC, is a government surveillance unit controlled by the General Secretariat of National Defense and created by ex-president Alvaro Uribe. On February 23, the unit reported the infiltration of FARC member and senior political adviser Thomas Gonzalez, who was reportedly arrested in March. The report revealed that the government used a spy plane to track Gonzalez, who was in Cuba at the time, and other members of FARC and the AUC (Alternative Unionist Cause). This episode marks the second time Gonzalez has been arrested in as many months by Colombian authorities. According to the SGC's report, the operation with the spy plane lasted 18 hours. During the surveillance, the investigators tracked Gonzalez

“How can you hope to obtain any indication of the background and spirit of the New Testament writings?” If you read the book you will find the answer. 2. If you are not familiar with the Bible already, it is not the book to read. It is not my wont to denigrate the Bible, which is the book of God, but if you are not familiar with the Bible you will find it a difficult book. If you have not already become familiar with the real historical background of the Bible, you may find it difficult to understand what one is talking about in the Bible. Many from around the world have been quite surprised at the effect that the message has had on the people. Even today some people are not comfortable with the Bible because they have not become familiar with the history that produced it. It is quite possible that we may want to change the First Testament before we change the Second. One should not underestimate the people—especially if one knows the book. Many in this country are not familiar with the Bible and if you run into them on the street the first thing that they will think
