
0434 - New Super Mario Bros (U).nds 2021

This is a patch for 0434 - New Super Mario Bros. (U)(Psyfer).nds rom. Install it there with XDELTA and have fun on the first level. It's quite difficult.. You have to complete the first level without any problems, using different abilities and using them all the time.. It should be quite fun.. At the beginning of the game, you can see Mario jumping over the big ball in the corner and walking towards the camera. This is the path to freedom. Now you need to complete the level without touching this ball. But it can be difficult. If you don't know what to do, make a small circle (to get
