
Frenchcore Samples Wav Files High Quality

frenchcore music is a genre that has evolved to a very high level of detail, making it more complex than ever. we have put together a collection of all our favorite samples from the past years. the aim of the pack is to give you the inspiration you need to get started. no matter which setting you are interested in, we have you covered!

frenchcore is a genre that was recently discovered by many producers. just as an analogy, imagine you are a drummer and you want to create your own drum pattern. you know the feel of the drums, you know the hits and the different drum patterns you can create, but you cannot just throw your drums together and expect to have the right feel. you need to use the right drum samples. the same applies to the frenchcore genre. it was only recently that we started to get producers in this genre and we now want to share our knowledge and experience with you. now we are releasing this pack for free in order to share it with you. the midi files are played by the roland a-68 keyboard, which is a popular choice for frenchcore producers. if you want to produce or sample one of the midi files, you have to download the roland a-68 keyboard. the free frenchcore loops, samples and sounds listed here have been kindly uploaded by other users. if you use any of these frenchcore loops please leave your comments. read the loops section of the help area and our terms and conditions for more information on how you can use the loops. any questions on using these files contact the user who uploaded them. please contact us to report any files that you feel may be in breach of copyright or our upload guidelines.
