
Nazo No Kanojo X Bd 108034 !!TOP!!

Hentai, isnt it the greatest thing in the world. It can make people love you even more. Of course, you will not see any hentai when watching the anime of Nazo no Kanojo X . It is just a story about a guy named Ayumu. He comes back from college and decides that the best way to forget about school is to go online shopping. On the way, he meet an imposter of his best friend. At first, Ayumu is a bit annoyed. Then one of the imposter starts flirting with him and he feels weird, but also sexually aroused. Then, the imposter turns out to be a woman with an imposter of a friend. After she follows him home, Ayumu finds out that she is his mysterious girlfriend and is the reason why he came back from college. Maybe I should start with the title of this show. Nazo no Kanojo X can be translated as Mysterious Girlfriend X and, what do you know, it seems that its actually the real title of the anime. And you know, I think that it is the best possible title that could be used for the anime. You cant be called "Mysterious Girlfriend" if the girl is NOT mysterious. If I know that the girl is a normal person, I cannot say that she is a girlfriend. Hmmmm... Anyways, I think that the title is pretty accurate to what this series is about. It is about the relationship between Ayumu and his best friend who actually is a girlfriend. I am pretty sure that this anime is an instant hit with girls. And I think that it is a pretty good anime as well. I really enjoyed this anime and I would love to give a few more episodes. This anime should probably end in the next few episodes because I think that the story could be drawn out more, which I think that the point of this anime. I did not mind the drama and especially the social drama.
