India is a constitutional republic and a nation of a thousand lingual The new Prime Minister of India, Narendra Modi, possesses an extraordinary charm that is widely liked by the Indian public. But the international community is concerned about the strong radicalism of his right-wing party, BJP. India is a constitutional republic and a nation of a thousand lingual colors. Democracy in India is constantly challenged by various fears, including religious violence and corruption. We face multiple dilemmas: Is India a secular or an ideologically driven nation? Is democracy neutral, or in some way, is it a player in the global struggle between the West and the East? Does it flow smoothly like a river or is it artificially dammed by the country's leaders? What is the nature of the person who holds the iron mantel of the Prime Minister of India? The term Parliament and the term 'democracy' are the same in India. However, it

does not mean there is no private property or no property rights. There is very much corruption. Democracy in India is not just a 'game.' The term Parliament and the term 'democracy' are the same in India. However, it does not mean there is no private property or no property rights. There is very much corruption. Democracy in India is not just a 'game.' The term democracy in India comes from the ancient Greek word "dimos." It means people, citizens or citizens, who are all participating in their nation's governance. The term democracy in India comes from the ancient Greek word "dimos."
