Aamir Khan, Anupam Kher, Hrithik Roshan, Sanjay Dutt, Genelia D'Souza in R.Q: How to configure XBAP files to be built by VS2008? I am trying to build a XBAP application, and it's not really working, but it seems like the problem is VS2005/2008 related. I am building this in VS2008 and executing the build using VS2008. How can I configure the build process so that it builds the XBAP, rather than VS2008 executing the.bat file? A: Right click on the project and select "Set as Startup Project". the lawful expression of opinion and information on health matters are fundamental freedoms. These freedoms must be upheld in all cases. I am very grateful for the opportunity given by the Italian Presidency to say a few words on this issue. The Italian Presidency reiterates its support for the fight against discrimination and violence against women in all its forms. The Presidency will give the utmost priority to the fight against discrimination. In 2009 the Italian Presidency made a significant step forward in this regard, as a result of which the instruments allowing the protection of labour rights and gender equality have been unified in the area of employment. This unification also created a legal basis to empower anti-discrimination and anti-violence to protect women. The Italian Presidency is committed to continue the direction and follow-up of this area. The European Union will continue to build on the human rights based approach to change. Discrimination on the grounds of sex or gender is one of the issues that is particularly in need of EU advocacy and action. In June, a strong EU framework for women's rights was adopted. In the framework of the World Summit on the Information Society, the Italian Presidency will further expand the online exploitation of scientific research, thus contributing to the EU's development of knowledge through education and culture. We are also working on promoting the rights of the Roma community and will continue to work with you in
