Ask HN: Review my startup - SharableZipper - sharablezip Hi,I've been working on a new startup for a few months now. I thought HN would be a great place to find feedback, ideas, etc. I've decided to share my first beta with you. It's a tool that enables you to upload zip files to multiple social networks at

once. Please let me know what you think. ===== prodigal\_erik  
Uhh, the new profile question doesn't work for me. I get a 404. -----  
- mkopinsky A lot of this sounds like features you can do with an  
RSS feed and an aggregator, where you can easily change the  
target networks on the fly as you post to them. How does this solve  
that problem
